About Docket No. 2004-112-S

I am pleased that we in Lloydwood may get the city of Cayce to collect our sewage. I would like to get Piney Grove Utilities totally out of our neighborhood. Mr. Reese, the owner and only employee of this Company has been negligent in his duties to provide sewer service. He has also charged fees that Have not been approved by the Public Service Commission. He has threatened neighbors if they do not Pay these fees. I hope the decision to invite Cayce to take care of our sewage will mean that he, Mr. Reese will be out of the neighborhood. I would be glad to show proof of the things I have said in this letter If a Public hearing is called.

Thanks
